

Qroo Paul's Spanish Master Course

Lesson 23 Exercise

Skool.com/qroo

(ANSWER KEY ATTACHED)

Part 1: Sentences 1-5

Instruction: Write each sentence using the formula *hace* + time expression + verb in the preterite to say how long ago something happened.

Formula: Using *hace* + time expression + verb in the preterite

1. I came here three years ago.
2. She started her job six months ago.
3. I met her two years ago.
4. He bought that car a long time ago.
5. He saw his friend a few days ago.

Part 2: Sentences 6-10

Instruction: Use present tense + *desde* + a specific point in time to show when the action began.

Formula: Using present tense verb + *desde* + specific point in time

6. We have been friends since high school.
7. Since when have you lived here?
8. I have lived here since 2020.
9. He has had that car since last summer.
10. She has worked at that school since January.

Part 3: Sentences 11-15

Instruction: Write each sentence using the formula present-tense verb + desde hace + time expression to express how long the action has been happening.

Formula: Using present tense verb + desde hace + time expression

- 11. I have lived here for three years.
- 12. She has worked at that school for six months.
- 13. We have studied Spanish for two hours.
- 14. He has had that car for a long time.
- 15. I have worked here for ten years.

Part 4. Sentences 16-20

Instruction: Write each sentence using the formula hace + time expression + que + present tense verb to express how long something has been going on.

Formula: hace + time expression + que + present tense verb

- 16. They have been friends for many years.
- 17. We have been studying for the exam for two hours.
- 18. She has been working at that school for six months.
- 19. My parents have lived here for three years.
- 20. I've been buying grapes at that store for a month.

Part 5: Sentences 21-25

Instruction: Write each sentence using the formula llevar + time expression + gerund to say how long someone has been doing an activity.

Formula: Using llevar + time expression + gerund

- 21. They have been talking all morning.

22. I have been studying Spanish for three years.
23. We have been waiting for the bus for twenty minutes.
24. She has been working at that school for six months.
25. They have been working on that project for years (**formula: tener + time expression + gerundio**, which you may hear in Mexico/Latin America).
